lan of Washington in stealing five bases in the game against Cleveland last Friday is believed to constitute a new league record of steals in a single game, and calls attention to the peedy Senator as being likely to wrest have so long held supremacy in the major leagues. Bescher has a record of four steals in one game, which is the highest mark discoverable in the statstics up to Milan's performance. Milan now has a big lead on all the speedsters of either circuit, and, barring injury, stands a good chance of topping Cobb's record of 82 last seaon, which, by the way, is the major eagues' record under modern scoring

rouit still lies between Speaker of oston and Lajole of Cleveland, The ng nosed out of the league's lead. But he race of hitters is not confined to be younger circuit by any means. While McDonald of Cincinnati and teds star hitter has taken part in nly 17 games, while the Pirate Mique" has been in two more. Zim-erman has fought through the season being in 44 games, while the In-dian catcher has 46 games against his name. The Cub infielders' mark is

4 points better than last week's, and ne Giant rolled up an addition of 26 pints to his average. Of the 29 classy hitters in the Amer-an league, it is notable that the vic-

orious Washingtons have the great-st number, 7. In the National, Pitts-ourgh holds the best showing for in-dividuals with 8. Speaker continues o lead the American run-getters, Bes-her remaining as the top notcher in

MARKET DEADLOCKED. Vesterday's Trading Among the Lightest of Present Year.

New York, June 17.—The one nota-ble feature of today's stock market was the fact that it marked almost the smallest volume of operations thus far in the current year. From the opening of the session until the sound of the closing gong trading was dull, arrow and negligible. Professional or congaging in new ventures, and as result the movement was of the nest restricted character, except in ertain of the specialties, particularly

Politics formed the one absorbing opic of discussion, and news from hicago was awaited with eagerness. Vererun observers expressed the opin-ion that the market is likely to con-tinue in a state of virtual deadlock eading parties.

There was practically nothing in the developments of the day to stimulate trading in either direction. Crop news was more favorable by reason of needed rains in certain agricultural secions, and western railway officials abmitted their usual statements rela-ive to freight movements. These were encouraging in the main, their tenor indicating expanding trade and in-creasing optimism, with fairly heavy

oreasing optimism, with fairly heavy movements of merchandise and satisfactors distribution.

Trading for foreign account here amounted to about 5,000 shares, of which the greater part was in Steel. There were two dividend announcements of passing interest, one that the Calorado Fuel and from company had resumed assymmts on the preferred resumed payments on the preferred shares, and another increase in the quarterly disbursement by one of the Montana copper companies.

The only feature of note in the bond market was an gavance of two points in Wabash refunding fours. Prices elsewhere inclined to irregularity. Total transactions, par vanie, amounted
